

## **Board Certified Behavior Analyst**

### **ABOUT ANIXTER CENTER:**

Anixter Center is one of the largest nonprofit organizations in the Chicago area serving people of all ages with disabilities and related challenges. Each year Anixter Center and its three divisions - CALOR, Chicago Hearing Society (CHS) and Lekotek - help more than 7,300 children, teens and adults by providing residential, educational, employment, socialization and health services.

**Position Summary:** Responsible for providing quality Behavioral Services to adults that present with maladaptive behaviors who live in Anixter Center's Residential Department CILAs.

### **Position Responsibilities:**

- Conduct preference and other assessments for current and new clients
- Write individual behavior support plans and update behavior support plans every 6 months (at annual and review date)
- Collect and graph data, assess, and report results
- Complete functional behavior assessments
- Implement changes to behavior plans as clients' needs change based on data
- Attend behavior rights committee meetings
- Monitor progress towards behavior goals
- Complete monthly progress reports for client caseload
- Attend ISP meetings to provide support and recommendations as needed
- Conduct team trainings on client behavior plans and data collection
- Model and train on behavior interventions
- Implement interventions and procedures according to behavior support plan
- Participate in necessary trainings, meetings, and committees as needed or directed
- Observe each client in their work and home environment twice per month (each) and maintain observation notes on visits
- Maintain accurate and organized client notes, data, and reports
- Track 56U billing notes, by client, and keep a record on Anixter Center's computer system and Mental Health Database for billing.
- Submit billing to the Accounting Department for all clients by the 1<sup>st</sup> of the month
- Run social skills groups within Residential Department
- Review incident reports and provide feedback/make recommendations when necessary
- Ensure agency is in compliance with standards from external governmental agencies

- Works effectively and maintains positive relationships with other agency departments/programs
- Participates in the intake process and makes recommendations to Director
- Attends to clients when they are in crisis and need behavioral intervention
- Support the manager On-Call team with emergency behavioral issues on a 24-hour basis in cooperation with QIDP of programs
- Other duties as assigned

**Essential Skills and Experience:**

- Professional Certification as a Board Certified Behavior Analyst (BCBA). Certification must be maintained throughout employment.
- Master’s degree in Applied Behavior Analysis or related field.
- Experience in utilizing evidenced-based practices (Applied Behavior Analysis, Positive Behavior Support, etc.)
- Ability to obtain certification in Nonviolent Crisis Intervention (NCI) and/or Professional Crisis Management (PCM) or another type of intervention technique.
- Valid Illinois driver’s license required.
- Ability to meet agency insurance requirements.

If you would like to support our mission to assist people with disabilities to live, learn, work and play in the community, please apply by submitting your resume on our website at <https://anixter.companycareersite.com!>

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties.

Anixter Center offers competitive pay, a generous benefit package, and a dynamic and supportive work environment.
